COMPANY

PROFILE

WE CRAFT DREAM TOURS

Tourism is a passion rather than a profession and Pakistan offers unsurpassed opportunities for tourism to people of all tastes and interests. Amazing Pakistan a Government licensed tourism company (ID 1917) is a team of widely traveled, seasoned and qualified professionals who are highly experienced in the relevant profession.

With the basic objective of providing facilitated services, the administration of Amazing Pakistan believes in quality of services within the best possible budget and competitive price.

The remarkably selected and trained management supported with efficient and professional field crew, makes an efficient team enriched with qualities of administration, regional information, field experience, and knowledge of foreign languages. With the above qualities, the team is determined and put in its optimum effort to turn a plain journey into a dream tour.

Amazing Pakistan organizes all kinds of tours related to History, Archaeology, Culture, Adventure, Religious tours (Buddhist Pilgrimage and Sikh Yatra) and any other special activity desired by the tourists and assures that the destination Pakistan, with the services of Amazing Pakistan, will make you a frequent returnee, after your first visit to this wonderful country. While going through the details of our tailored itineraries, please note that the programs cover a wide area and there is room to customize the program according to your available time.

In most of the tours, a wide region has been included so that you can have a fair idea about Pakistan and select the area of your interest. Similarly, most of the trekking programs which we offers include two trekking routes in one program, and one can customize the program as per the available time. There are several venues in all our tours, treks and safaris to finish the tour, selecting an exit point.

WHY CHOOSE

Amazing Pakistan

● Our extreme knowledge and personalized service will create a more interesting and adventurous holiday for you.

SAFETY

We pre-inform and train you on the things or equipment needed for the trip, terrain, climate, local faith, and cultures, etc. to ensure that there is no obstacles or difficulties that our customers face afterward. Our guides have been trained in such a way that they are well prepared on the mountain safety and first aid procedures, in case of any difficulties on the way. You will be well-trained for the high altitude sickness, making sure that you don't feel discomfort in high altitudes. We are in constant communication with our field staffs and monitor all aspects whether that may affect your trip. We are just a call away from you (+92-334 5401474) and at a 24 hours service. Amazing Pakistan has one of the best safety records anywhere and our experienced guides will take good care of you during the tour.

FOOD & MEALS

Keeping the hygiene and health of our customers is one of the prior concerns of Amazing Pakistan. We serve trekkers with timely and fresh food during Trek. We will be offering you with varieties of food.

Beverages to keep the trekkers warm in the uplands are also available including coffee, hot chocolate, Tamoru tea and Milk tea. We will be serving our customers with organic food that is free of artificial chemicals and pesticides.

HEALTH FITNESS

&

COMFORT

We put the safety and health of our customers first at all times. We ensure that you are physically fit and your appetite for endurance is at a good shape before moving any further. Our itinerary is only designed after considering all the physical aspects of our customer so that we do not face any complications on the way.

We highly recommend our customers to visit their own personal doctors before any high altitude trips rather than reading or listening to someone else's experience. Travelers with any type of cardiac or respiratory problems should consult a doctor and if they join the tour that'll be at their own risk and the company will not be responsible for any accidents (if occurs).

EQUIPMENTS

The equipment used in the trek is well checked for its quality and functioning to ensure a safe and comfortable trek. The quality of sleeping bags Tents with other useful equipment are properly checked before handing it out to the trekkers. Our company is also very sensitive towards our own staff's needs, so the guides and porters who accompany our customers are also provided with a proper trekking clothes. However, we highly recommend you to get your travel insurance ready before any trip.

ACCOMMODATION

Years of organizing tours have given us the opportunity to build good connections and long-standing relationships with the lodges, hotels, guest houses and inns on the way of the tour. From the five star hotels to very simple accommodations in touring region, our good connection with them has made us confident on the types of facilities and quality services that these hotels provide to our customers.

RESPONSIBLE

TRAVEL

As seen in the global context, tourism has an immense impact on the environment. Amazing Pakistan strongly believes in benefitting economically as well as socially. Therefore, our trips are specially designed keeping into consideration on the littlest details on the impacts of our trip that might have negative impacts on the environment. We also promote the local authentic restaurants to buy most of our foods and we consider staying at the locally run guesthouse with eco-friendly practices as our first priority during the trek. This behavior encourages local entrepreneurs to adopt minimum-impact methods and provide eco-sensitive services.

Our Website contains every information regarding Amazing Pakistan. However, if you have any queries regarding the Tour, please feel free to contact us. We answer all inquiries within 24 hours.
